Borsehung[®]

GERMANY

Suitable for Volkswagen Mercedes-Benz BMW car models Service for aftermarket

Borsehung positioned itself as a top brand in the global after-sales market, providing professional component products and services for Volkswagen, Mercedes Benz, and BMW models.

Borsehung is a Germany-based professional automotive part supplier. It is constantly committed to serving the global after-sales market by offering competitive and diverse product lines at affordable prices.

The customers of Borsehung brand are distributed in 70 countries and regions around the world. Borsehung creates value for customers worldwide with its strong professional product capabilities, and meanwhile pursues win-win cooperation with all business partners with an open and collaborative attitude.

Product

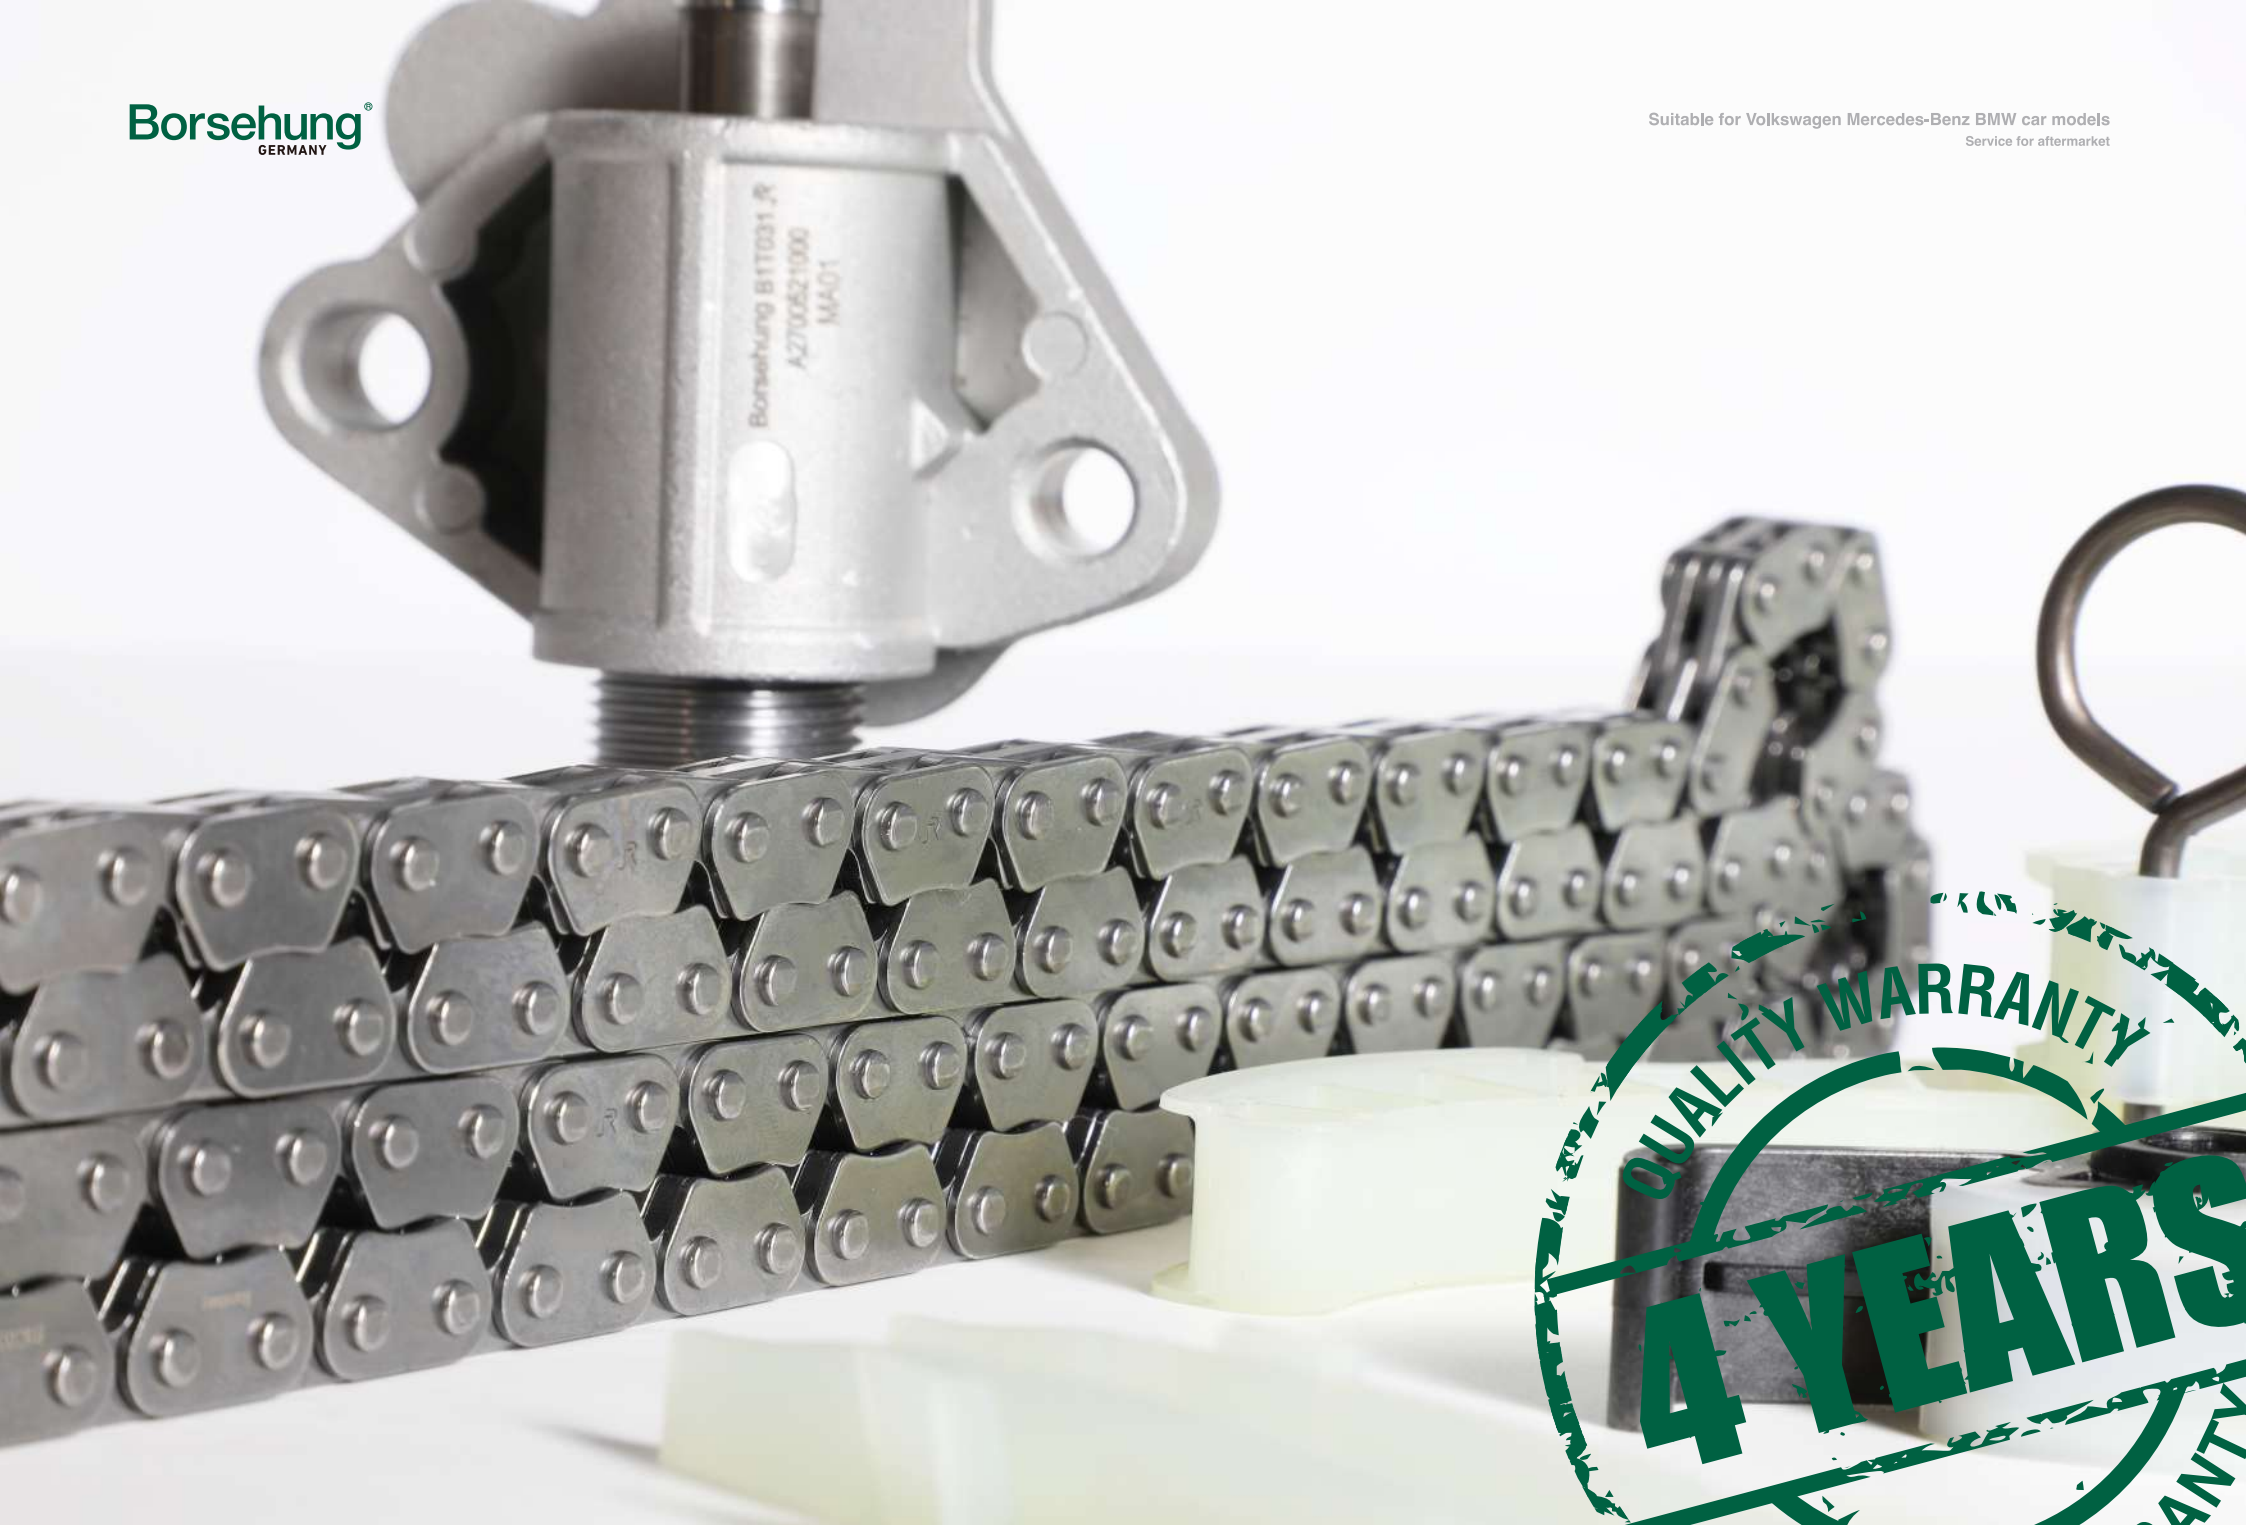

All Borsehung brand products are produced by its official partners.

We keep expanding our product portfolio while guaranteeing high product performance.

Starting now, Borsehung brand officially provides components for Mercedes Benz and BMW models. By introducing products for new models, we will assist you in further expanding your business scope and winning the market with stronger product competitiveness and perfect quality reputation.

Borsehung brand now offers over 3000 key products covering engine systems, electrical systems, and chassis systems, and provides comprehensive services for a wide variety of models such as those of Volkswagen, Mercedes Benz, and BMW. As our product lines continue to grow, we follow rigorous standards to ensure marketability of the products and contribute to the profitability of our customers. We always make our best efforts to make your enterprise better known in the market for selling Borsehung products.

Quality

Borsehung provides you with the highest quality products geared to your needs, with all products covered by 4-year warranty.

The high-quality products offered by Borsehung to customers exceed their expectations. That's why Borsehung has won broad trust and favor of customers.

Inspection standards:

Borsehung adopts strict quality inspection standards for stock products.

Product testing:

All products are inspected and tested before delivery, thus ensuring that only perfect products can leave the warehouse.

Third-party inspection:

We send key spare parts or components subject to demanding performance requirements to third-party inspection agencies. They conduct all necessary raw material and product performance tests for the most dependable quality control.

Operation

Borsehung's modern logistics and warehousing center covers a land of 20000 square meters. It enables accurate and safe deliveries within 40 days, and leads to an excellent 99% order fulfillment rate.

Borsehung GmbH, as an excellent data supplier of TecDoc, a global automotive part data platform, has developed an online product information inquiry system to make professional and high-quality data available to global customers.

Borsehung online shop supports online shopping, order tracking, target management, and provision of comprehensive information on other businesses.

Borsehung Online Catalog, Digitized Product Information, Easy to Query Products at Any Time, Generate Customized Catalogs

We also provide one-on-one and personalized customization services. Based on deep insights into the demand of customers, we are able to provide them with the best custom solutions.

Remarks

This catalog is protected by copyright. Any reproduction or duplication of this catalog, including text, graphics, photos, and data, is prohibited.

Borsehung is a legitimate trademark registered by Borsehung GmbH in Germany.

The product codes of original components appearing in this catalog are for reference only.

This catalog is produced and provided with our best professional knowledge. We do not assume any responsibility or accept any claim regarding any error or omission in this catalog. The right to replace any content and make final modifications to materials and designs shall lie with our company. The pictures in this catalog may deviate from actual products. All the above-mentioned rights belong to our company.

Besides, in order to provide you with more timely and comprehensive information on new products, Borsehung GmbH will continuously deepen its analysis and understanding of the market, and keep updating product information. Please visit parts.borsehung.de to view the latest product catalog.
